What Equipment Will I Need?

Glenmore Lodge has a large, and very comprehensive store of up to date clothing and equipment. You are welcome to use your own equipment and pick and choose odd items from the store. Your instructor will want to check that personal equipment is appropriate for the activity.

If you are thinking about buying equipment but are not too sure what to get we would advise you to come and try our equipment and then make your purchases after the course. We have a range of most equipment items you can try during the course and there is advice on hand from other students as well as the staff.

We have a range of some of the latest river kayaks from Pyranha and other top manufacturers. All our Sea kayaks are this years models from P&H and Valley. Our Open boats are all new from Mad River. The surf kayaks are also of up to date design.

Our paddling clothing is from Peak and we have a wide range tailored to your discipline.

We use a range of paddles depending on the activity, Lendal and Werner for sea kayaking and Werner for river kayaking. There are specialist additional open boating items such as poles and sails.
