## Mentoring - Foundation

### The Course

This 3-hour course will introduce the key to help understand the key areas involved in mentoring other coaches and paddlers. It will help both the individual as a coach and also as a paddler as it will give tools and understanding to help develop others in their paddlesport goals and aspirations. This course is particularly valuable to UKCC L2 and L3 coaches who are mentoring others as part of their portfolio process. It will be delivered in an understandable and practical way that should shed some light on this large subject area, and hopefully inspire the learner to want to learn more.

Please bring your BCU log book (if you have one). Note: It is not essential to be a member of either of the Canoe Unions to undertake training. However, we recommend that all students join before attending: Tel: BCU on 0845 370 9500; or Tel: SCA on 0131 317 7314.

This course is aimed at any UKCC Coach and can be used as the required module for the UKCC Level 2 Award or as CPD, as well as being a course suitable for any paddler interested in learning more about Mentoring others.
